Press Release

Solo exhibition from 1 February to 1 March 2025

Opening on Saturday 1 February 2025, 2pm to 7pm

For her first solo exhibition at the gallery, Élise Peroi presents a group of sculptures and textile installations.

Designed around the idea of a cabin, a nomadic, airy architecture, ‘Vent dominant’ offers an immersion into the artist's practice. Highlighting the physicality of gesture and materials, the exhibition continues to weave a link with literature, one of the artist's main sources of inspiration, drawing on a passage from Augustin Berque's Histoire de l'habitat idéal, De l'Orient vers l'Occident 1.
